Definition of a Complaint

A complaint is an expression of dissatisfaction by a client regarding the provision of investment and/or ancillary services provided to him by the Company. Complainant is the person, natural or legal, which is eligible for lodging a complaint to a Company and who has already lodged a complaint.

A complaint received by a Client shall include:

- (a) Client’s name and surname;
- (b) The Client’s trading account number;
- (c) The affected transaction numbers, if applicable;
- (d) The date that the issue arose and a description of the issue

A complaint must not include offensive language directed either to the Company or a Company employee.

Handling of your Complaint

Once we acknowledge receipt of your complaint we will review it carefully, investigate the circumstances surrounding your complaint and will try to resolve it without undue delay. We shall make every effort to

investigate your complaint and provide you with the outcome of our investigation within 6 (six) weeks from the date you have submitted your complaint to us. During the investigation process, we will keep you updated on the handling process of your complaint. One of our officers may contact you directly (including communication by email or phone) in order to obtain, where needed, further clarifications and information relating to your complaint. We will require your full cooperation in order to expedite the investigation and possible resolution of your complaint.

In the event that your complaint requires further investigation and we cannot resolve it within 6 (six) weeks, we will issue a holding response in writing or other durable medium. When a holding response is sent, it will indicate the causes of the delay and when the Company's investigation is likely to be completed. In any event, we shall provide you with the outcome of our investigation no later than one (1) month from the issuing of the holding response, depending on the complexity of the case and your cooperation. Please note that the Company shall consider your complaint as closed and cease the relevant investigation in case you fail to respond to our officers within the period of three (3) months from the date of the submission of your complaint.

Final Decision

When we reach an outcome, we will inform you of it together with an explanation of our position and any remedy measures we intend to take (if applicable). It is understood that your right to take legal action remains unaffected by the existence or use of any complaints procedures referred to above.
